Reports

There are two reports in a year.
The first report focuses on reading, writing and maths and informs you of your child's current targets. This will go out on the 2nd March.

The second report will share the children's attainment against their age related expectations and a teacher comment about how they have done throughout the whole year. This report will go out on 6th July.

Parental responsibility before school

We would like to remind all parents and Carers that it is your responsibility to look after your child on the school grounds until your child is inside the classroom after the bell rings at 8.55am for Year 1 & 2 and 9am for Year R.
