Dojo rewards

As many of you may have already noticed, your children are doing extremely well with their class dojo totals and some children have already had certificates for personally reaching 40 dojos! The next target for a certificate is 100 and after that it will be 200! We are encouraging all of the children to push towards their next goal.

You may not yet know that we also set whole class targets where the children have to collectively achieve a certain number of dojo points.

In KS1 we have set our target at 1,200 per class and we are thrilled to inform you that all 3 Year 2 classes have surpassed their goal! As a reward for this fantastic achievement, we will be inviting the children to have a pirate party on **Friday 2nd February**.

All **Year 2** children are invited to bring a pirate costume to school to change into in the afternoon and can bring either a book or board game of their choice to share with their friends in class. Please ensure that anything you allow your child to bring into school is clearly labelled with their name.

If you have not already signed up to receive your child's dojo updates, please see the office for details on how to access this information.

We look forward to sharing their party shenanigans with you!

Yours Sincerely,

Mrs Page
Year 2 Leader
