

Dear Parents of Andy Stanton (Class 7) & Julia Donaldson (Class 9),

The Parents' Forum is a group of representatives from each class whose purpose is to liaise with the school on issues affecting the parent community. We meet with Mrs Leyden each month to discuss any issues that have been raised. In turn, Mrs Leyden uses us as a sounding board to discuss ideas that the school are considering.

We currently have representation from most classes except for Andy Stanton and Julia Donaldson. If you would like to be part of this forum, please contact Marian in the school office.

We meet approximately once every 4 weeks on a Friday from 9am-10am.

Thank you and we look forward to you joining us soon!
