Developing Enquiring Minds

Sports Premium Spending 2014-15

What is Sports Premium Funding?

This is targeted money provided by the government to develop sport in schools. We welcome this funding and we are using it to improve our physical education offer to the children.

Physical development at Samuel White's

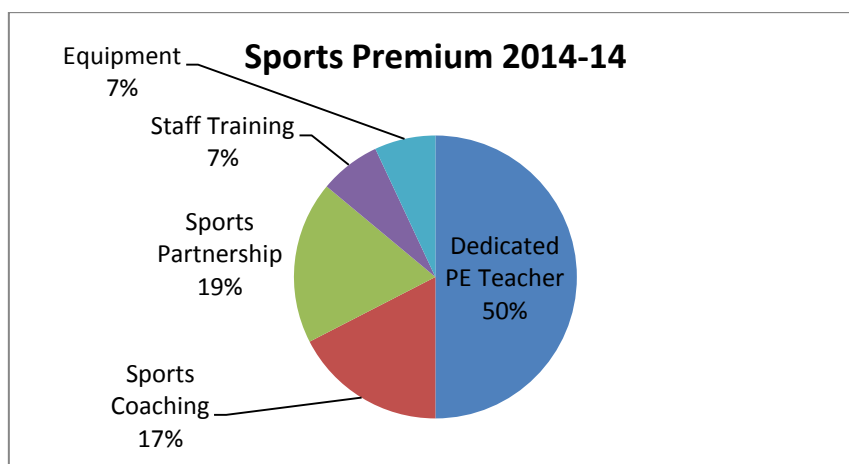

Sport and Physical exercise play a big part in the life of our school. It is an important part of the school curriculum and a key part of the school's extra-curricular programme. The school promotes sport to keep healthy, foster teamwork, support physical and emotional development and to have fun.

The Sports Premium Funding has been used to develop the teaching of PE and games in the school curriculum, increase the range of extra-curricular activity and to develop increased opportunities for inter and intra school competition.

How much money did we get?

The allocation for the 2014-15 school year is £8,615.00

How are we spending it?

Dedicated PE Teacher

This year we have employed our own PE teacher to work with all of the children in KS1. Mr Gruffydd teaches PE and runs after school clubs 2 afternoons a week.

Sports Partnership

We are members of the Grange Sports Partnership. Our subscription gives us access to additional coaching, staff CPD for PE, sports events (such as the South Glos Festival of Sport), regular network meetings plus local and national guidance.

Sports Coaching

For part of 2014 we used a sports coaching company called Superstars to provide extra-curricular clubs. This is now provided in-house by Mr Gruffydd.

Staff Training

We have budgeted some additional funding to provide bespoke training for our dedicated PE teacher. This money is to pay for training and cover supply.

Equipment

We have budgeted to maintain PE and Playground equipment and to replace equipment during the course of the year.
