

The Hanham Primary Federation

The Hanham Primary Federation is a formal collaboration between Samuel White's Infant School (SWIS) and Hanham Abbots Junior School (HAJS). The schools operate under one governing body with one Executive Headteacher who is referred to as the Primary Headteacher.

Each school has an Associate Headteacher who is responsible for the day to day running of the school and they share an Assistant Headteacher who oversees Inclusion and Pupil Premium. The schools remain as separate organisations, with separate DfE numbers and independent inspections, but are committed to the delivery of high quality 4-11 provision.

The Federation works hard to deliver outstanding primary education for the children of Hanham. It is led by an FLT who take a strategic role to promote progress, attainment and well-being for all learners within the Hanham Primary Federation. The Federation has been in place for over four years and has evolved during that time. Policies are aligned and the curriculum has been jointly developed by both schools.

This is an exciting time for both schools and a great time to join a lively and committed staff group. You can find out more about the two schools in the Federation by using the links below to view the school websites.
